Dear Friend, ♥

Hi there! It's me, your Teddy Bear! I've been missing you so much. How have you been? 🐾

I've been spending my days in the toy chest, thinking about all the fun adventures we've had. I miss your hugs and ♥ our tea parties.

Today I went on a little adventure all by myself. I climbed up to the top of the bookshelf to get a better view of the room. It was exciting but a bit wobbly!
I can't wait until we can play together again. 🐾
I hope you'll come back soon.

I made you a paper star, and I'm keeping it safe until I see you next. Remember, I'm always here waiting for you.

Sending you a big, fuzzy hug!

Love,
Teddy ♥
